TECHNICAL DATA SHEET

TDS-ENZ247-EN · REV. 02 · 2026-11-03

Soybean Meal Hydrolase

Compound enzyme preparation for soybean meal protein hydrolysis.

SKU **ENZ247** CATEGORY **SOYBEAN ENZYMES** CATEGORY **SOYBEAN ENZYMES**

Not restricted for transport

SHELF LIFE
12 months
sealed, see storage below

SOLUBILITY
Soluble in water
forms an opaque liquid solution

MAIN INGREDIENTS
Protease, maltodextrin
maltodextrin listed as accessories

ENZYME COMPONENTS
3 components
endonuclease, exonuclease, flavourzyme

SPECIFICATION

IDENTITY

Product name	**Soybean Meal Hydrolase** Typical
Product type	Special compound enzyme preparation for soybean meal protein hydrolysis Typical

COMPOSITION

Main components	**Endonuclease, exonuclease, flavourzyme** Typical
Main ingredients	Protease, maltodextrin (accessories) Typical

PHYSICAL

Solubility	Soluble in water Typical
Shelf life	12 months Typical

Spec = release limit, confirmed on every lot's Certificate of Analysis. **Typical** = normal product behaviour, not a release limit.

STORAGE & PACKAGING

SHELF LIFE
12 months

STORAGE
Dry at room temperature, dark storage

PACK SIZE
Not stated

ORDERING
Online or by e-mail; current price on the product page

APPLICATIONS

Health food
Produce soybean peptide that is easy to digest and absorb, for solid drinks and health food.

Feed processing
Treat soybean meal to promote nutrient absorption, reduce animal diarrhea and improve feed utilization rate.

Medium and fertilizer
Treat soybean meal or miscellaneous meal to obtain peptides and amino acids for fertilizer and culture medium.

Soybean protein hydrolysis
Cut inner peptide chains and release amino acids from polypeptide chain ends.

DOSAGE

Determine by trial
no application rate stated on the product page

Each lot is released against its specification; the lot Certificate of Analysis reports the measured values.

Enzyme preparations are proteins and may sensitise; avoid skin, eye and inhalation contact. This technical data sheet gives the product specification and typical values; it is not a batch certificate. A Certificate of Analysis for the supplied lot accompanies each shipment. Safety Data Sheet on request.
